

APPLY NOW FOR THE 40th ARC LEOPOLD GRIFFUEL PRIZE

For over 40 years, the Léopold Griffuel Prize has been rewarding scientists or research teams whose work has led to a major breakthrough in cancer research. **This prize of €100, 000 is one of the most prestigious scientific awards in the field of cancer.**

The laureate is designated by the Board of Directors of the French Cancer Research Association after evaluation by a scientific committee.

Applications must be sponsored by at least two internationally renowned scientists. The letter of application may be presented either directly by the sponsors or by the candidate himself/herself, who must then obtain the letters of recommendation from his/her sponsors.

**The application file must be sent no later than April 30th, 2011
by both, e-mail AND postal mail**
